# OUTREACH PRAYER FOCUS

# NOVEMBER 2022

***Derek Prince once said: “If we had complete and unreserved faith in three aspects of God’s nature – His goodness, His wisdom, and His power – then we would never disobey God.” And it would stir our prayers! Please join us in prayer for our mission of making Derek’s life-changing Bible teaching available to those who desperately need it. Thank you for supporting our outreach.***

## NOVEMBER 1 **INTERNATIONAL**

- Pray for our staff and outreach workers worldwide to carry out their work and outreach projects with God’s guidance, protection, and strength. Many are experiencing physical battles, political unrest, economic needs, and religious restrictions. Let’s continue to trust the Lord and declare that He is faithful!

## Europe

### NOVEMBER 2 **NETHERLANDS**

- On 11 November, our next online course, *Entering into God’s Presence*, will begin. Our desire is that more and more Dutch-speaking people will worship the Lord in Spirit and truth. Pray for God to open their hearts. Also pray for new staff to support us in the development of online courses.

### NOVEMBER 3 **EASTERN EUROPE**

- Pray for Director Branislav. He needs the Lord’s wisdom and protection as he oversees the work in over 10 countries, travelling regularly to visit the outreach workers.
- Pray also for the Lord’s continued provision for all the work being done in these nations.

### NOVEMBER 4 **ITALY**

- Continue to pray for the Lord’s wisdom

and guidance regarding opening a DPM office in Italy.

- Translation work continues on Italian subtitles for YouTube, so also pray for those involved.

### NOVEMBER 5 **FRANCE**

- We have started releasing audiobooks, beginning with *Agreeing with God* and *Hearing God’s Voice*. Pray that many people will download them and be blessed by them. Also pray for Thierry and Frédéric, who dub our audiobooks and videos.
- More videos are being dubbed, as the French prefer this over subtitles. Pray that our YouTube channel will have more visitors and that Derek’s messages will deeply impact all who hear them.
- Pray for Caroline as she sets up a new WhatsApp channel, which will allow people (especially from Africa) to share Derek’s messages.
- Pray for increased sales in Québec, Canada (French-speaking) through our wholesaler, CLC Diffusion.

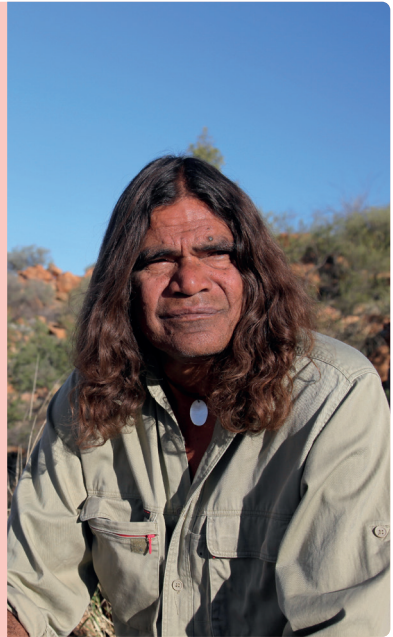

### NOVEMBER 6 **GERMANY**

- Pray for the Lord’s wisdom as we continue to utilise more digital communications in providing Derek’s teaching in German.
- Pray for more German believers to join us in prayer and support to share Derek’s material in this nation.

## TESTIMONY – Australia

Peter and Katie shared this testimony after a recent trip to the First Nations people in Australia:

*"We met a man in critical condition at a Medical Centre which acts as a hospital. He was suffering from a fever caused by an infection, the result of complications after a recent heart triple bypass. The medical team was making plans to fly him from Elcho Island (of indigenous people in the northeast) to Darwin Hospital to receive urgent medical treatment. Fifteen family members were around his bedside and outside the facility. An Elder of the Galiwin'ku people took us to lay hands on him and pray. The man and family were very grateful to receive Derek's book, God's Medicine Bottle. We called the next day to see what course of action was taken. They gratefully informed us that the man was healed. He had been discharged and gone home! The family is looking forward to reading and sharing their thoughts on the book."*

### NOVEMBER 7 UNITED KINGDOM

- Continue to pray for our Inside Outreach prison ministry to reach more inmates with Derek's teaching.
- Pray for the chaplains involved to have God's wisdom and insight as they share and teach from Derek's material.

### NOVEMBER 9 INDONESIA

### NOVEMBER 14 CHINA

- China still has a strict zero-Covid policy. Recent reports spoke of some 60 million residents being locked down and weariness growing as the restrictions seem to go on without end. This also impacts the distribution of Derek's materials because travel and logistics are difficult. Pray for wisdom for the team to keep Derek's teachings flowing across China.

## NOVEMBER 20 **RUSSIA**

- As a result of the war with Ukraine, the persecution of Christians in Russia has intensified and there are serious financial problems. ### NOVEMBER 27 **ANGOLA**

- Pray for the successful printing of the *Portuguese Self-Study Bible Course* for Angola.

## **TESTIMONY – Ukraine**

Many people are reading Derek's books and listening to his online teaching. Sister Vera, 82, called us to order books. While Russian troops were trying to besiege Kyiv, she prayed for God's protection and listened to Derek's messages on our YouTube channel every day. This is the main source of inspiration for her family.

## OUTREACH REPORT – India

A second Youth Training Programme was held over three days for 19 young women (including pastors' children) from Tamil Nadu and Karnataka. We faced a lot of spiritual opposition but realised it was due to the impact of this event. All the young ladies testified, some with tears, as to what God had done in their lives. One said she would have lost direction in her life if she had not come. Another testified that she would have quit her ministry if she had not come. The session on *How to Pass from Curse to Blessing* was the eye opener for many. They left with renewed vision and joy, and the testimonies continued later, many coming from their parents. Praise the Lord!

- Pray also for the distribution of material, as normal services are either not reliable or too expensive. Much of the distribution is by pastors or others who travel from the South Africa office to neighbouring countries.
